

Study Class Partitions & Stage Curtain Project

The Board of Trustees (BOT), Executive Committee (EC) and the Study Class Management teams are very thankful to all the donors for generously supporting the Study Class Partitions & Stage Curtain Project.

By now, you may have noticed the Bronze, Silver and Gold colored plates on three pillars on the east side of the social hall for the partition project (for fully paid donation of \$1,500 and more) and Gold colored plates on either side of the stage for the curtain project (for fully paid donation of \$5,000 and more).

There are quite a few other members who have donated less than \$1,500 for this project and their names are listed below:
